

LONG BEACH

CONVENTION & VISITORS BUREAU

One World Trade Center, Third Floor - Long Beach, California 90831-0300 – 562.436.3645

Dear Bicycle Technician,

Are you the *Fastest* Wrench in the West?

The Amgen Tour of California has its overall finish in the city of Long Beach on Sunday, February 25, 2007. As part of the City's "Festival Weekend", on **Saturday, February 24th**, there will be a number of exciting events for both seasoned biking veteran and the novice. But for members of that elite class of individuals known as bike technicians, there will be a special event solely for those who have the abilities inherent in the turning of a spoke to true a wheel; the ***Fastest Wrench in the West*** competition facilitated by **PARK TOOL USA®**.

Besides the recognition of being the Fastest Wrench in the West, prizes include **First Place; \$600, Second Place; \$400 and Third Place; \$200!**

This event is limited to bike techs who sign-up in advance. Participation is on a first-come-first-served basis and is limited to the first fifty (50) applications received by fax. However, all submissions will be placed on a waiting list in order of receipt if not selected for the initial group and, as time permits, there may be additional competition slots available – but only for those who register, in advance, to participate.

To become part of the competition, fill out the attached form and fax it to the Long Beach Convention and Visitors Bureau (562) 436-5151 as soon as possible but not later than January 31, 2007.

For further information and an overview, check out the website: longbeachcaliforniabiketour.com
